RESULTS OF OPERATIONS

General

The Company reports its results of operations on a 52-or 53-week fiscal year which ends on the last Thursday in May. Each fiscal year is divided into three 12-week quarters and a final quarter consisting of 16 or 17 weeks. The final quarter of fiscal 1997 will consist of 17 weeks for the Company's motel and hotels/resorts divisions, while the Company and its other remaining divisions will report a 16-week fourth quarter. Fiscal 1996 was a 53-week fiscal year for the Company and its theatre division, while the Company's remaining divisions reported a 52-week year in fiscal 1996.

Revenues for the second quarter of fiscal 1997 ended November 14, 1996, totaled \$64.8 million, an increase of \$6.8 million, or 11.8%, from revenues of \$58.0 million for the second quarter of fiscal 1996. For the first half of fiscal 1997, revenues were \$142.6 million, an increase of \$11.1 million, or 8.5%, from revenues of \$131.5 million in the first half of fiscal 1996. All four operating segments contributed to the increase in revenues for the fiscal 1997 second quarter.

Net earnings for the second quarter of fiscal 1997 were \$6.8 million, or \$.34 per share, up 2.9% and 3.0%, respectively, from net earnings of \$6.6 million, or \$.33 per share, for the same quarter in the prior year. For the first half of fiscal 1997, net earnings were \$18.4 million, or \$.93 per share. This represented a 7.7% and 8.1% increase, respectively, over comparable earnings of \$17.1 million, or \$.86 per share, for the first half of fiscal 1996. Including the after-tax gain of \$14.8 million, or \$.75 per share, resulting from the Company's sale of its Applebee's restaurants and related rights in June 1995, net earnings for fiscal 1996's first half were \$31.9 million, or \$1.61 per share.

Operating income (earnings before other income/expense and income taxes) totaled \$13.5 million in the second quarter of fiscal 1997, an increase of \$1.7 million, or 14.6%, compared to the prior year same period. For the first half of fiscal 1997, operating income was \$34.9 million, an increase of \$3.7 million, or 11.9%, over operating income of \$31.2 million for the first half of fiscal 1996. Comparisons of net earnings between fiscal 1997 and 1996 second quarters were adversely affected by the absence in fiscal 1997 of \$700,000 of gains on disposition of property and equipment otherwise recognized in fiscal 1996. In addition, the Company realized reduced investment income in the fiscal 1997 second quarter compared to the fiscal 1996 second quarter when the Company was still investing the proceeds from the sale of its Applebee's restaurants and increased interest expense in fiscal 1997 associated with the Company's higher long-term debt levels compared to the same period

last year, pursuant to the Company's strategy to "lock-in" favorable long-term interest rates.

Motels

Total revenues for the second quarter of fiscal 1997 for the motel division were \$30.4 million, an increase of \$2.6 million, or 9.3%, compared to \$27.8 million in the same period in fiscal 1996. Total revenues for the first half of fiscal 1997 for the motel division were \$64.4 million, an increase of \$6.0 million, or 10.3%, compared to \$58.4 million in the first half of fiscal 1996. The motel division's operating income for the fiscal 1997 second quarter totaled \$8.8 million, a decrease of \$100,000, or 1.3%, from the \$8.9 million earned by the division in the same period of fiscal 1996. The motel division's operating income for the first half of fiscal 1997 totaled \$21.8 million, an increase of \$1.1 million, or 5.5%, over the \$20.7 million earned by the division in the same period of fiscal 1996.

Compared to the end of the second quarter of fiscal 1996, there were 11 new Company-owned or operated and five new franchised Budgetel Inns in operation at the end of the fiscal 1997 second quarter. The Company's newly opened motels contributed additional revenues of \$1.9 million to the division's fiscal 1997 second quarter revenues. The Company's comparative occupancy rates were slightly lower early in the second quarter of fiscal 1997, but strengthened later in the quarter. The Company believes that a temporary decline in demand, combined with increasing industry segment room supply, contributed to the decline. Increased average daily room rates at the Company's continuing motels during the second quarter of fiscal 1997 compared to the same period last year partially offset the lower occupancy rates. Start-up expenses associated with new motels and increased advertising costs contributed to the slight decline in operating income despite increased revenues.

At the end of the fiscal 1997 second quarter, the Company owned or operated 98 Budgetel Inns and franchised an additional 35 Inns, bringing the total number of Budgetel Inns in operation to 133. In addition, there are currently 16 Company-owned or franchised Budgetel Inns under construction, all of which are scheduled to open before the end of fiscal 1997 or shortly thereafter. The Company also owns and operates three Woodfield Suites all-suite motels and plans to open a fourth location in Cincinnati, Ohio during the third quarter of fiscal 1997 and a fifth location in Madison, Wisconsin in early fiscal 1998. During the second quarter of fiscal 1997, the Company announced its goal of increasing the number of Woodfield Suites in operation to 40 to 50 properties within the next five years. The Company expects the increase to be achieved through new company-owned units, acquisitions and the introduction of a franchise program.

Theatres

The theatre division's fiscal 1997 second quarter revenues were \$11.9 million, an increase of \$1.8 million, or 18.5%, over revenues of \$10.1 million in the same period in fiscal 1996. Operating income for the second quarter in fiscal 1997 totaled \$882,000, a decrease of \$900,000, or 50.8%, from operating income of \$1.8 million in the same period last year. The theatre division's fiscal 1997 first half revenues were \$32.5 million, an increase of \$3.5 million, or 12.1%, over revenues of \$29.0 million in the first half of fiscal 1996. Operating income for the first half of fiscal 1997 was \$5.8 million, a decrease of \$1.2 million, or 16.6%, from \$7.0 million of operating income in the first half of fiscal 1996. Consistent with the seasonality of the motion picture exhibition industry, the second quarter of the Company's fiscal year is typically the slowest period for its theatre division.

Theatre division operating income declined due to higher pre-opening and start-up costs, especially for advertising and training, coupled with weak film product in late August, September and October. The higher start-up costs were the result of the first quarter opening of two new theatre complexes, the acquisition of three theatres and the introduction of the division's new family entertainment center. The Company added 47 new screens in the first quarter of fiscal 1997 and none in the second quarter, ending the second quarter with a total of 266 screens compared to 204 at the end of the same period last year. The Company opened its largest complex, a 20-screen ultraplex in Addison, Illinois, on the first day of the third quarter of fiscal 1997. In

addition, the Company currently has 13 additional screens under construction at existing theatres.

Total box office receipts for the fiscal 1997 first half were \$22.0 million, an increase of \$1.7 million, or 8.2%, over \$20.3 million in the same period last year. The increase in box office receipts for the first half of fiscal 1997 compared to the same period in the prior year was entirely due to the additional new screens, together with a 4.5% increase in first-run theatre average ticket prices and a 5.8% increase in concession revenues per person. Without the additional screens, theatre attendance would have decreased for the first half and second quarter largely as a result of the less attractive film offerings during the period. The impact of the 1996 Summer Olympics significantly affected attendance late in the first quarter and the effect carried over into the second quarter as well. Motion picture film distributors anticipated lower theatre attendance during the Olympics and featured their best films during the late spring and early summer to avoid competing with the Olympics. This strategy meant that less attractive films were distributed in late summer and early fall, with the result being a lack of quality carryovers into the Company's fiscal second quarter, which began in mid-August. Theatre attendance is largely dependent upon the audience appeal of available films, a factor over which the Company has limited control.

Hotels and Resorts

Total revenues from the hotels and resorts division during the second quarter of fiscal 1997 increased by \$1.6 million, or 11.4%, to \$16.0 million, compared to \$14.4 million in the previous year's comparable period. Operating income increased by \$1.7 million, or 93.5%, to \$3.5 million in the fiscal 1997 second quarter, compared to \$1.8 million in the second quarter of fiscal 1996. Total revenues from the hotels and resorts division during the first half of fiscal 1997 totaled \$32.5 million, an increase of \$1.7 million, or 5.6%, over total first half revenues of \$30.7 million in fiscal 1996. Operating income increased by \$1.9 million in the first half of fiscal 1997, or 36.6%, to \$7.2 million, compared to \$5.3 million in the prior year's first half.

Higher average room rates at the Company's hotels contributed to the increases in the fiscal 1997 periods compared to the prior year's periods. The division's fiscal 1997 second quarter and first half results also benefitted from reduced charges for pre-opening costs for the Milwaukee Hilton (formerly the Marc Plaza) and increased management fees from properties managed but not owned by the hotels and resorts division.

Restaurants

Restaurant division revenues totaled \$6.3 million for the second quarter of fiscal 1997, an increase of \$700,000, or 12.6%, over fiscal 1996 second quarter revenues of \$5.6 million. The division's operating income for the fiscal 1997 second quarter totaled \$673,000, an increase of \$542,000, or 413.7%, over operating income of \$131,000 in the second quarter of fiscal 1996. Restaurant division revenues totaled \$13.1 million for the first half of fiscal 1997, an increase of \$100,000, or 0.9%, over first half fiscal 1996 revenues of \$13.0 million. Excluding \$1.1 million of revenues from subsequently sold or closed restaurants from fiscal 1996 revenues, first half fiscal 1997 revenues increased 9.9% over the prior year. The division's operating income for the first half of fiscal 1997 totaled \$1.3 million, an increase of \$940,000, or 241.6%, over fiscal 1996 first half operating income of \$389,000.

The increases in revenues and operating income for both the second quarter and first half of fiscal 1997, compared to the same prior periods, were primarily the result of recent successful KFC product introductions and increased sales from KFC's home delivery program, combined with reduced administrative costs related to the disposition of Applebee's and other restaurant properties last year. Same store KFC revenues for the second quarter of fiscal 1997 compared to the prior year's second quarter were up 8.3%, with guest counts at same store KFC's up 3.0% and average guest check amounts up 5.2%. The Company has plans to convert and open its first 2-in-1 KFC/Taco Bell restaurant in the fourth quarter of fiscal 1997.

FINANCIAL CONDITION

The Company's lodging, movie theatre and restaurant businesses

each generate significant and consistent daily amounts of cash because each segment's revenue is derived predominantly from consumer cash purchases. The Company believes that these consistent and predictable cash sources, together with the availability to the Company of \$80 million of unused credit lines at the end of the second quarter, should be adequate to support the ongoing operational liquidity needs of the Company's businesses.

Net cash provided by operating activities increased by \$21.5 million during the first half of fiscal 1997 to \$37.6 million, compared to \$16.1 million in the prior year's first half. The increase over the same period last year was primarily the result of approximately \$10 million of income taxes incurred on the gain on the sale of restaurants in fiscal 1996, combined with increased net earnings before the restaurant gain. Timing differences in receipts of accounts and notes receivable and payment of accounts payable contributed to the increase in net cash provided by operating activities as well.

Net cash used in investing activities in the fiscal 1997 first half totaled \$60.0 million, compared to the positive cash flow of \$14.7 million in the fiscal 1996 first half which resulted from receiving \$48.3 million in net cash proceeds from the June 1995 sale of its Applebee's restaurants and related rights. Capital expenditures to support the Company's continuing expansion program totaled \$60.1 million in the first half of fiscal 1997 compared to \$36.7 million in the prior year's first half.

Cash provided by financing activities in the fiscal 1997 first half totaled \$44.0 million, compared to cash used in financing activities of \$26.0 million in the first half of fiscal 1996. During the fiscal 1997 first half, the Company received \$97.9 million of net proceeds from the issuance of notes payable and long-term debt, compared to none in the first half of fiscal 1996. The lack of proceeds in fiscal 1996 was due to the Company's use of cash proceeds from its Applebee's sale to fund expansion during that time period. Included in the fiscal 1997 proceeds was \$85 million in principal amount of senior unsecured long-term notes issued in a private placement to six institutional lenders. The Company has the ability to issue up to \$115 million of additional senior notes under the private placement program over the next thirty months. The Company used a portion of the proceeds from the senior notes to pay off existing debt, resulting in total principal payments on notes payable and long-term debt of \$52.4 million in the first half of fiscal 1997, compared to only \$21.1 million in the same period last year. The Company expects to use the remaining proceeds to help fund the Company's ongoing expansion plans.

In addition to the changes in debt transactions noted above, net cash provided by financing activities also increased due to dividend payments of only \$1.4 million in the first half of fiscal 1997 compared to \$5.0 million in the first half of fiscal 1996. The reduction in dividend payments for the period was the result of a one-time timing difference between the Company's quarterly dividend payments in fiscal 1997 compared to an annual dividend payment made in fiscal 1996. Total fiscal 1997 dividend payments are expected to exceed fiscal 1996 dividend payments.

The actual timing and extent of the implementation of the Company's current expansion plans will depend in large part on continuing favorable industry and general economic conditions, the competitive environment, evolving customer needs and trends and the availability of attractive opportunities. It is likely that the Company's current expansion goals will continue to evolve and change in response to these and other factors.

The Company has the corporate power and authority to own or hold under lease the properties it purports to own or hold under lease, to transact the business it transacts and proposes to transact, to execute and deliver this Agreement and the Other Agreements and the Series A Notes and to perform the provisions hereof and thereof.

This Agreement, the Other Agreements and the Series A Notes have been duly authorized by all necessary corporate action on the part of the Company, and this Agreement constitutes, and upon execution and delivery thereof each Note will constitute, a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except as such enforceability may be limited by (i) applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

Section 5.3. Disclosure; . The Company, through its agent, BA Securities, Inc., has delivered to you and each Other Purchaser a copy of a Private Placement Memorandum, dated September, 1996 (the "Memorandum"), relating to the transactions contemplated hereby. The Memorandum fairly describes, in all material respects, the general nature of the business and principal properties of the Company and its Restricted Subsidiaries. This Agreement, the Memorandum, the documents, certificates or other writings delivered to you by or on behalf of the Company in connection with the transactions contemplated hereby and the financial statements listed in Schedule 5.5, taken as a whole, do not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein not misleading in light of the circumstances under which they were made. Since May 30, 1996, there has been no change in the financial condition, operations, business, properties or prospects of the Company or any Restricted Subsidiary except changes that individually or in the aggregate could not reasonably be expected to have a Material Adverse Effect. properties it purports to own or hold under lease and to transact the business it transacts and proposes to transact.

(d) No Subsidiary is a party to, or otherwise subject to, any legal restriction or any agreement (other than customary limitations imposed by corporate law statutes) restricting the ability of such Subsidiary to pay dividends out of profits or make any other similar distributions of profits to the Company or any of its Subsidiaries that owns outstanding shares of capital stock or similar equity interests of such Subsidiary.

(e) The execution and delivery of this Agreement and the issuance and sale of the Notes hereunder will not involve any transaction that is subject to the prohibitions of section 406 of ERISA or in connection with which a tax could be imposed pursuant to section 4975(c)(1)(A)-(D) of the Code. violation of any Environmental Laws, except, in each case, such as could not reasonably be expected to result in a Material Adverse Effect. Except as otherwise disclosed to you in writing:

(a) neither the Company nor any Restricted Subsidiary has knowledge of any facts which would give rise to any claim, public or private, of violation of Environmental Laws or damage to the environment emanating from, occurring on or in any way related to real properties now or formerly owned, leased or operated by any of them or to other assets or their use, except, in each case, such as could not reasonably be expected to result in a Material Adverse Effect;

For purposes of this Section 8.1(a), any prepayment of less than all of the outstanding Tranche A Notes pursuant to Section 8.2 shall be deemed to be applied first to the amount of principal scheduled to be repaid on October 15, 2008, and then to the remaining scheduled principal payments, if any, in inverse chronological order.

For purposes of this Section 8.1(b), any prepayment of less than all of the outstanding Tranche B Notes pursuant to Section 8.2 shall be deemed to be applied first to the amount of principal scheduled to be repaid on October 15, 2011, and then to the remaining scheduled principal payments, if any, in inverse chronological order.

(c) Application of Partial Redemption. In the event of any purchase or other acquisition permitted by Section 8.5 of less than all of the Notes of any Series, or any tranche of Notes within a Series (a "Partial Redemption"), the amount of the payment required at maturity for such Series of Notes, or the applicable tranche of Notes within such Series, as the case may be, and each regularly scheduled prepayment required to be made pursuant to this Section 8.1 or any Supplement for such Series of Notes, or the applicable tranche of Notes within such Series, as the case may be, shall be reduced in the proportion that the principal amount of such Partial Redemption bears to the unpaid principal amount of the Notes of such Series, or the applicable tranche of Notes within such Series, as the case may be, immediately prior to such Partial Redemption (after giving effect to any regularly scheduled prepayment made on such Series of Notes, or the applicable tranche of Notes within such Series, as the case may be, pursuant to this Section 8.1 or any Supplement on the date of such Partial Redemption).

Section 8.2. Optional Prepayments with Make-Whole Amount;. The Company may, at its option, upon notice as provided below, prepay at any time all, or from time to time any part of (but if in part then in a minimum principal amount of \$500,000), the outstanding Notes of any Series on any interest payment date for the Notes of such Series at 100% of the principal amount so prepaid, and accrued interest thereon to the date of prepayment, plus the Make-Whole Amount determined for the prepayment date with respect to such principal amount of each Note of the applicable Series then outstanding. The Company will give each holder of Notes of the Series to be prepaid written notice of each optional prepayment under this Section 8.2 not less than 30 days and not more than 60 days prior to the date fixed for such prepayment. Each such notice shall specify such date, the aggregate principal amount of the Notes and each Series of Notes to be prepaid on such date, the principal amount of each Note held by such holder to be prepaid (determined in accordance with Section 8.3), and the interest to be paid on the prepayment date with respect to such principal amount being prepaid, and shall be accompanied by a certificate of a Senior Financial Officer as to the estimated Make-Whole Amount due in connection with such prepayment (calculated as if the date of such notice were the date of the prepayment), setting forth the details of such computation. Two Business Days prior to such prepayment, the Company shall deliver to each holder of Notes of the Series to be prepaid a certificate of a Senior Financial Officer specifying the calculation of such Make-Whole Amount as of the specified prepayment date.

Section 8.3. Allocation of Partial Prepayments;. In the case of each partial prepayment of the Notes pursuant to the provisions of Section 8.2, the principal amount of the Notes of the Series to be prepaid shall be allocated among all of the Notes of such Series at the time outstanding in proportion, as nearly as practicable, to the respective unpaid principal

amounts thereof. In the case of each required prepayment of the Series A Notes pursuant to Section 8.1, the principal amount of the Tranche to be prepaid shall be allocated among all of the Notes of such Tranche at the time outstanding in proportion, as nearly as practicable, to the respective unpaid principal amounts thereof. All regularly scheduled partial prepayments made with respect to any Additional Series of Notes pursuant to any Supplement shall be allocated as therein provided.

Section 8.4. Maturity; Surrender, etc';. In the case of each prepayment of Notes pursuant to this Section 8, the principal amount of each Note to be prepaid shall mature and become due and payable on the date fixed for such prepayment, together with interest on such principal amount accrued to such date and the applicable Make-Whole Amount, if any. From and after such date, unless the Company shall fail to pay such principal amount when so due and payable, together with the interest and Make-Whole Amount, if any, as aforesaid, interest on such principal amount shall cease to accrue. Any Note paid or prepaid in full shall be surrendered to the Company and cancelled and shall not be reissued, and no Note shall be issued in lieu of any prepaid principal amount of any Note.

Section 8.5. Purchase of Notes;. The Company will not and will not permit any Restricted Subsidiary or any Affiliate to purchase, redeem, prepay or otherwise acquire, directly or indirectly, any of the outstanding Notes except upon the payment or prepayment of the Notes in accordance with the terms of the Agreements (including any Supplement thereto) and the Notes. The Company will promptly cancel all Notes acquired by it or any Restricted Subsidiary or any Affiliate pursuant to any payment, prepayment or purchase of Notes pursuant to any provision of the Agreements and no Notes may be issued in substitution or exchange for any such Notes.

Section 8.6. Make-Whole Amount for Series A Notes;. The term "Make-Whole Amount" means, with respect to any Series A Note of any Tranche, an amount equal to the excess, if any, of the Discounted Value of the Remaining Scheduled Payments with respect to the Called Principal of such Series A Note of such Tranche over the amount of such Called Principal, provided that the Make-Whole Amount may in no event be less than zero. For the purposes of determining the Make-Whole Amount, the following terms have the following meanings:

"Called Principal" means, with respect to any Series A Note of any Tranche, the principal of such Series A Note of such Tranche that is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

"Discounted Value" means, with respect to the Called Principal of any Series A Note of any Tranche, the amount obtained by discounting all Remaining Scheduled Payments with respect to such Called Principal from their respective scheduled due dates to the Settlement Date with respect to such Called Principal, in accordance with accepted financial practice and at a discount factor (applied on the same periodic basis as that on which interest on the Series A Note of such Tranche is payable) equal to the Reinvestment Yield with respect to such Called Principal.

"Reinvestment Yield" means, with respect to the Called Principal of any Series A Note of any Tranche, 0.50% over the yield to maturity implied by (i) the yields reported, as of 10:00 A.M. (New York City time) on the second Business Day preceding the Settlement Date with respect to such Called Principal, on the display designated as "Page 500" on the Telerate Access Service (or such other display as may replace Page 500 on Telerate Access Service) for actively traded U.S. Treasury securities having a maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date, or (ii) if such yields are not reported as of such time or the yields reported as of such time are not ascertainable, the Treasury Constant Maturity Series Yields reported, for the latest day for which such yields have been so reported as of the second Business Day preceding the Settlement Date with respect to such Called Principal, in Federal Reserve Statistical Release H. 15 (519) (or any comparable successor publication) for actively traded U.S. Treasury securities having a constant maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date. Such implied yield will be determined, if necessary, by (a) converting U.S. Treasury bill quotations to bond-equivalent yields in accordance with accepted financial practice and (b) interpolating linearly between (1) the actively traded U.S.

Treasury security with the duration closest to and greater than the Remaining Average Life and (2) the actively traded U.S. Treasury security with the duration closest to and less than the Remaining Average Life.

"Remaining Average Life" means, with respect to any Called Principal, the number of years (calculated to the nearest one-twelfth year) obtained by dividing (i) such Called Principal into (ii) the sum of the products obtained by multiplying (a) the principal component of each Remaining Scheduled Payment with respect to such Called Principal by (b) the number of years (calculated to the nearest one-twelfth year) that will elapse between the Settlement Date with respect to such Called Principal and the scheduled due date of such Remaining Scheduled Payment.

"Remaining Scheduled Payments" means, with respect to the Called Principal of any Series A Note of any Tranche, all payments of such Called Principal and interest thereon that would be due after the Settlement Date with respect to such Called Principal if no payment of such Called Principal were made prior to its scheduled due date, provided that if such Settlement Date is not a date on which interest payments are due to be made under the terms of the Series A Note of such Tranche, then the amount of the next succeeding scheduled interest payment will be reduced by the amount of interest accrued to such Settlement Date and required to be paid on such Settlement Date pursuant to Section 8.2 or 12.1.

"Settlement Date" means, with respect to the Called Principal of any Series A Note of any Tranche, the date on which such Called Principal is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

The Company covenants that so long as any of the Notes are outstanding:

Section 9.1. Compliance with Law;. The Company will, and will cause each of its Restricted Subsidiaries to, comply with all laws, ordinances or governmental rules or regulations to which each of them is subject, including, without limitation, Environmental Laws, and will obtain and maintain in effect all licenses, certificates, permits, franchises and other governmental authorizations necessary to the ownership of their respective properties or to the conduct of their respective businesses, in each case to the extent necessary to ensure that non-compliance with such laws, ordinances or governmental rules or regulations or failures to obtain or maintain in effect such licenses, certificates, permits, franchises and other governmental authorizations could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 9.2. Insurance;. The Company will, and will cause each of its Restricted Subsidiaries to, maintain, with financially sound and reputable insurers, insurance with respect to their respective properties and businesses against such casualties and contingencies, of such types, on such terms and in such amounts (including deductibles, co-insurance and self-insurance, if adequate reserves are maintained with respect thereto) as is customary in the case of entities of established reputations engaged in the same or a similar business and similarly situated.

Section 9.3. Maintenance of Properties;. The Company will, and will cause each of its Restricted Subsidiaries to, maintain and keep, or cause to be maintained and kept, their respective properties in good repair, working order and condition (other than ordinary wear and tear), so that the business carried on in connection therewith may be properly conducted at all times, provided that this Section shall not prevent the Company or any Restricted Subsidiary from discontinuing the operation and the maintenance of any of its properties if such discontinuance is desirable in the conduct of its business and the Company has concluded that such discontinuance could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 9.4. Payment of Taxes and Claims;. The Company will, and will cause each of its Subsidiaries to, file all tax returns required to be filed in any jurisdiction and to pay and discharge all taxes shown to be due and payable on such returns and all other taxes, assessments, governmental charges, or levies imposed on them or any of their

properties, assets, income or franchises, to the extent such taxes and assessments have become due and payable and before they have become delinquent and all claims for which sums have become due and payable that have or might become a Lien on properties or assets of the Company or any Subsidiary, provided that neither the Company nor any Subsidiary need pay any such tax or assessment or claims if (i) the amount, applicability or validity thereof is contested by the Company or such Restricted Subsidiary on a timely basis in good faith and in appropriate proceedings, and the Company or a Subsidiary has established adequate reserves therefor in accordance with GAAP on the books of the Company or such Subsidiary or (ii) the nonpayment of all such taxes and assessments in the aggregate could not reasonably be expected to have a Material Adverse Effect.

Section 9.5. Corporate Existence, etc;. The Company will at all times preserve and keep in full force and effect its corporate existence. Subject to Section 10.7, the Company will at all times preserve and keep in full force and effect the corporate existence of each of its Restricted Subsidiaries (unless merged into the Company or a Wholly-Owned Restricted Subsidiary) and all rights and franchises of the Company and its Restricted Subsidiaries unless, in the good faith judgment of the Company, the termination of or failure to preserve and keep in full force and effect such corporate existence, right or franchise could not, individually or in the aggregate, have a Material Adverse Effect.

Section 10.1. Transactions with Affiliates;. The Company will not and will not permit any Restricted Subsidiary to enter into directly or indirectly any transaction or Material group of related transactions (including without limitation the purchase, lease, sale or exchange of properties of any kind or the rendering of any service) with any Affiliate, except in the ordinary course and pursuant to the reasonable requirements of the Company's or such Restricted Subsidiary's business and upon fair and reasonable terms no less favorable to the Company or such Restricted Subsidiary than would be obtainable in a comparable arm's-length transaction with a Person not an Affiliate.

(h) leases or subleases granted to any Person by the Company or any Restricted Subsidiary, as lessor or sublessor, on any property owned or leased by the Company or any Restricted Subsidiary, provided that in each case such lease or sublease shall not Materially detract from the value of the property leased or subleased;

(i) Liens incurred after the date of Closing and existing on property of any business entity at the time of acquisition of such business entity by the Company or a Restricted Subsidiary, so long as such Liens were not incurred, extended or renewed in contemplation of the acquisition of such business entity, provided that (i) the Lien shall attach solely to the property of the business entity so acquired, (ii) at the time of acquisition of such business entity, the aggregate amount remaining unpaid on all Debt secured by Liens on the property of such business entity, whether or not assumed by the Company or a Restricted Subsidiary, shall not exceed an amount equal to the lesser of the total purchase price or fair market value at the time of acquisition of such business entity (as determined in good faith by the Board of Directors of the Company or any Restricted Subsidiary, as the case may be), and (iii) the aggregate principal amount of all Debt secured by such Liens shall be permitted by the limitations set forth in Sections 10.3 and 10.4;

(b) The Company will not permit any Restricted Subsidiary to issue or sell any shares of stock of any class (including as "stock" for the purposes of this Section 10.7(b), any warrants, rights or options to purchase or otherwise acquire stock or other securities exchangeable for or convertible into stock) of such Restricted Subsidiary to any Person other than the Company or a Restricted Subsidiary, except for the purpose of qualifying directors, or except in satisfaction of the validly pre-existing preemptive rights of minority shareholders in connection with the simultaneous issuance of stock to the Company and/or a Restricted Subsidiary whereby the Company and/or such Restricted Subsidiary maintain their same proportionate interest in such Restricted Subsidiary.

(c) The Company will not sell, transfer or otherwise dispose of any shares of stock of any Restricted Subsidiary (except to qualify directors), and will not permit any Restricted Subsidiary to sell, transfer or otherwise dispose of (except to the Company or a Wholly-Owned Restricted Subsidiary) any shares of stock of any other Restricted Subsidiary, unless such sale or other disposition does not involve a substantial part (as defined in Section 10.6) of the assets of the Company and its Restricted Subsidiaries.

Section 10.8. Designation of Restricted and Unrestricted Subsidiaries;.

(a) The Board of Directors of the Company may designate any Unrestricted Subsidiary as a Restricted Subsidiary and may designate any Restricted Subsidiary as an Unrestricted Subsidiary, provided that (i) at such time and immediately after giving effect thereto (x) the Company would be permitted to incur at least \$1.00 of additional Priority Debt under the limitations of Section 10.4, and (y) no Default or Event of Default shall have occurred and be continuing, and (ii) the designation of such Subsidiary as Restricted or Unrestricted shall not be changed pursuant to this Section 10.8 on more than two occasions. The Company shall, within 10 days after the designation of any Subsidiary as Restricted or Unrestricted, give written notice of such action to each holder of a Note.

(b) The Company acknowledges and agrees that if, after the date hereof, any Person becomes a Restricted Subsidiary, all Debt, leases and other obligations and all Liens and Investments of such Person existing as of the date such Person becomes a Restricted Subsidiary shall be deemed, for all purposes of this Agreement, to have been incurred, entered into, made or created at the same time such Person so becomes a Restricted Subsidiary.

Section 10.9. Nature of Business;. Neither the Company nor any Restricted Subsidiary will engage in any business if, as a result, the general nature of the business, taken on a consolidated basis, which would then be engaged in by the Company and its Restricted Subsidiaries would be substantially changed from the general nature of the business engaged in by the Company and its Restricted Subsidiaries on the date of this Agreement.

An "Event of Default" shall exist if any of the following conditions or events shall occur and be continuing:

(i) a final judgment or judgments for the payment of money aggregating in excess of \$10,000,000 are rendered against one or more of the Company and its Restricted Subsidiaries and which judgments are not, within 60 days after entry thereof, bonded, discharged or stayed pending appeal, or are not discharged within 60 days after the expiration of such stay; or

As used in Section 11(j), the terms "employee benefit plan" and "employee welfare benefit plan" shall have the respective meanings assigned to such terms in Section 3 of ERISA.

Section 12. Remedies on Default, etc;.

Section 12.1. Acceleration;. (a) If an Event of Default with respect to the Company described in paragraph (g) or (h) of Section 11 (other than an Event of Default described in clause (i) of paragraph (g) or described in clause (vi) of paragraph (g) by virtue of the fact that such clause encompasses clause (i) of paragraph (g)) has occurred, all the Notes of every Series then outstanding shall automatically become immediately due and payable.

(b) If any other Event of Default has occurred and is continuing, any holder or holders of at least 25% in aggregate principal amount of the Notes of any Series at the time outstanding may at any time at its or their option, by notice or notices to the Company, declare all the Notes of such Series then outstanding to be immediately due and payable.

(c) If any Event of Default described in paragraph (a) or (b) of Section 11 has occurred and is continuing with respect to any Series of Notes, any holder or holders of Notes of such Series at the time outstanding affected by such Event of Default may at any time, at its or their option, by notice or notices to the Company, declare all the Notes of such Series held by it or them to be immediately due and payable.

Upon any Note becoming due and payable under this Section 12.1, whether automatically or by declaration, such Note will forthwith mature and the entire unpaid principal amount of such Note, plus (x) all accrued and unpaid interest thereon and (y) the Make-Whole Amount determined in respect of such principal amount (to the full extent permitted by applicable law), shall all be immediately due and payable, in each and every case without presentment, demand, protest or further notice, all of which are hereby waived. The Company acknowledges, and the parties hereto agree, that each holder of a Note has the right to maintain its investment in the Notes free from repayment by the Company (except as herein specifically provided for), and that the provision for payment of a Make-Whole Amount by the Company in the event that the Notes are prepaid or are accelerated as a result of an Event of Default, is intended to provide compensation for the deprivation of such right under such circumstances.

Section 12.2. Other Remedies;. If any Default or Event of Default has occurred and is continuing, and irrespective of whether any Notes have become or have been declared immediately due and payable under Section 12.1, the holder of any Note at the time outstanding may proceed to protect and enforce the rights of such holder by an action at law, suit in equity or other appropriate proceeding, whether for the specific performance of any agreement contained herein or in any Note, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law or otherwise.

Section 12.3. Rescission;. At any time after any Notes of any Series

have been declared due and payable pursuant to clause (b) or (c) of Section 12.1, the holders of not less than 76% in aggregate principal amount of the Notes of such Series then outstanding, by written notice to the Company, may rescind and annul any such declaration and its consequences if (a) the Company has paid all overdue interest on the Notes of such Series, all principal of and Make-Whole Amount, if any, on any Notes of such Series that are due and payable and are unpaid other than by reason of such declaration, and all interest on such overdue principal and Make-Whole Amount, if any, and (to the extent permitted by applicable law) any overdue interest in respect of the Notes of such Series, at the Default Rate, (b) all Events of Default and Defaults, other than non-payment of amounts that have become due solely by reason of such declaration, have been cured or have been waived pursuant to Section 17, and (c) no judgment or decree has been entered for the payment of any monies due pursuant hereto or to any Note. No rescission and annulment under this Section 12.3 will extend to or affect any subsequent Event of Default or Default or impair any right consequent thereon.

Section 12.4. No Waivers or Election of Remedies, Expenses, etc;. No course of dealing and no delay on the part of any holder of any Note in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice such holder's rights, powers or remedies. No right, power or remedy conferred by this Agreement or by any Note upon any holder thereof shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise. Without limiting the obligations of the Company under Section 15, the Company will pay to the holder of each Note on demand such further amount as shall be sufficient to cover all costs and expenses of such holder incurred in any enforcement or collection under this Section 12, including, without limitation, reasonable attorneys' fees, expenses and disbursements.

Section 13. Registration; Exchange; Substitution of Notes';.

Section 13.1. Registration of Notes;. The Company shall keep at its principal executive office a register for the registration and registration of transfers of Notes. Prior to due presentment for registration of transfer, the Person in whose name any Note shall be registered shall be deemed and treated as the owner and holder thereof for all purposes hereof, and the Company shall not be affected by any notice or knowledge to the contrary. The Company shall give to any holder of a Note that is an Institutional Investor promptly upon request therefor, a complete and correct copy of the names and addresses of all registered holders of Notes.

Section 13.2. Transfer and Exchange of Notes;. Upon surrender of any Note at the principal executive office of the Company for registration of transfer or exchange (and in the case of a surrender for registration of transfer, duly endorsed or accompanied by a written instrument of transfer duly executed by the registered holder of such Note or its attorney duly authorized in writing and accompanied by the address for notices of each transferee of such Note or part thereof), the Company shall execute and deliver, at the Company's expense (except as provided below), one or more new Notes (as requested by the holder thereof) of an identical Series in exchange therefor, in an aggregate principal amount equal to the unpaid principal amount of the surrendered Note. Each such new Note shall be payable to such Person as such holder may request and shall be substantially in the form of the Note of such Series originally issued hereunder or pursuant to any Supplement. Each such new Note shall be dated and bear interest from the date to which interest shall have been paid on the surrendered Note or dated the date of the surrendered Note if no interest shall have been paid thereon. The Company may require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any such transfer of Notes. Notes shall not be transferred in denominations of less than \$500,000, provided that if necessary to enable the registration of transfer by a holder of its entire holding of Notes, one Note may be in a denomination of less than \$500,000. Any transferee, by its acceptance of a Note registered in its name (or the name of its nominee), shall be deemed to have made the representation set forth in Section 6.2, provided that such holder may (in reliance upon information provided by the Company, which shall not be unreasonably withheld) make a representation to the effect that the purchase by such holder of any Note will not constitute a non-exempt prohibited transaction under Section

406(a) of ERISA.

Section 13.3. Replacement of Notes;. Upon receipt by the Company of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Note (which evidence shall be, in the case of an Institutional Investor, notice from such Institutional Investor of such ownership and such loss, theft, destruction or mutilation), and

(a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it (provided that if the holder of such Note is, or is a nominee for, an original Purchaser or another holder of a Note with a minimum net worth of at least \$10,000,000, such Person's own unsecured agreement of indemnity shall be deemed to be satisfactory), or

(b) in the case of mutilation, upon surrender and cancellation thereof, the Company at its own expense shall execute and deliver, in lieu thereof, a new Note of an identical Series, dated and bearing interest from the date to which interest shall have been paid on such lost, stolen, destroyed or mutilated Note or dated the date of such lost, stolen, destroyed or mutilated Note if no interest shall have been paid thereon.

Section 14. Payments on Notes;.

Section 14.1. Place of Payment;. Subject to Section 14.2, payments of principal, Make-Whole Amount, if any, and interest becoming due and payable on the Notes shall be made in Chicago, Illinois at the principal office of Bank of America Illinois in such jurisdiction. The Company may at any time, by notice to each holder of a Note, change the place of payment of the Notes so long as such place of payment shall be either the principal office of the Company in such jurisdiction or the principal office of a bank or trust company in such jurisdiction.

Section 14.2. Home Office Payment;. So long as you or your nominee shall be the holder of any Note, and notwithstanding anything contained in Section 14.1 or in such Note to the contrary, the Company will pay all sums becoming due on such Note for principal, Make-Whole Amount, if any, and interest by the method and at the address specified for such purpose below your name in Schedule A hereto or Schedule A attached to any Supplement, or by such other method or at such other address as you shall have from time to time specified to the Company in writing for such purpose, without the presentation or surrender of such Note or the making of any notation thereon, except that upon written request of the Company made concurrently with or reasonably promptly after payment or prepayment in full of any Note, you shall surrender such Note for cancellation, reasonably promptly after any such request, to the Company at its principal executive office or at the place of payment most recently designated by the Company pursuant to Section 14.1. Prior to any sale or other disposition of any Note held by you or your nominee you will, at your election, either endorse thereon the amount of principal paid thereon and the last date to which interest has been paid thereon or surrender such Note to the Company in exchange for a new Note or Notes pursuant to Section 13.2. The Company will afford the benefits of this Section 14.2 to any Institutional Investor that is the direct or indirect transferee of any Note.

Section 15. Expenses, Etc;.

Section 15.1. Transaction Expenses;. Whether or not the transactions contemplated hereby are consummated, the Company will pay all costs and expenses (including reasonable attorneys' fees of a special counsel and, if reasonably required, local or other counsel) incurred by you and each Other Purchaser and each other holder of a Note in connection with such transactions and in connection with any amendments, waivers or consents under or in respect of this Agreement or the Notes (whether or not such amendment, waiver or consent becomes effective), including, without limitation: (a) the costs and expenses incurred in enforcing or defending (or determining whether or how to enforce or defend) any rights under this Agreement or the Notes or in responding to any subpoena or other legal process or informal investigative demand issued in connection with this Agreement or the Notes, or by reason of being a holder of any Note, and (b) the costs and expenses, including financial advisors' fees, incurred in connection with the insolvency or bankruptcy of the Company or any Material Subsidiary or in connection with any work-out or restructuring of the transactions contemplated hereby and by the Notes. The Company will

pay, and will save you and each other holder of a Note harmless from, all claims in respect of any fees, costs or expenses, if any, of brokers and finders (other than those retained by you).

Section 15.2. Survival;. The obligations of the Company under this Section 15 will survive the payment or transfer of any Note, the enforcement, amendment or waiver of any provision of this Agreement, any Supplement or the Notes, and the termination of this Agreement or any Supplement.

Section 16. Survival of Representations and Warranties; Entire Agreement';.

All representations and warranties contained herein or in any Supplement shall survive the execution and delivery of this Agreement, such Supplement and the Notes, the purchase or transfer by you or any Additional Purchaser of any Note or portion thereof or interest therein and the payment of any Note, and may be relied upon by any subsequent holder of a Note, regardless of any investigation made at any time by or on behalf of you or any Additional Purchaser or any other holder of a Note. All statements contained in any certificate or other instrument delivered by or on behalf of the Company pursuant to this Agreement or any Supplement shall be deemed representations and warranties of the Company under this Agreement. Subject to the preceding sentence, this Agreement (including every Supplement) and the Notes embody the entire agreement and understanding between you, the Other Purchasers and the Additional Purchasers and the Company and supersede all prior agreements and understandings relating to the subject matter hereof.

Section 17. Amendment and Waiver;.

Section 17.1. (a) Requirements;. This Agreement (including any Supplement hereto) and the Notes may be amended, and the observance of any term hereof or of the Notes may be waived (either retroactively or prospectively), with (and only with) the written consent of the Company and the holders of Notes holding more than 50% in aggregate principal amount of the Notes of each Series affected thereby, except that (a) no amendment or waiver of any of the provisions of Section 1, 2, 3, 4, 5, 6 or 21 hereof, or any defined term (as it is used therein), will be effective as to you unless consented to by you in writing, and (b) no such amendment or waiver may, without the written consent of the holder of each Note of any Series at the time outstanding affected thereby, (i) subject to the provisions of Section 12 relating to acceleration or rescission, change the amount or time of any prepayment or payment of principal of, or reduce the rate or change the time of payment or method of computation of interest or of the Make-Whole Amount on, the Notes of such Series, (ii) change the percentage of the principal amount of the Notes the holders of which are required to consent to any such amendment or waiver, or (iii) amend any of Sections 8, 11(a), 11(b), 12, 17 or 20. For purposes of this Section 17.1, any amendment to Section 11 which gives the holders of Notes of any Series greater rights than the holders of Notes of any other Series with respect to any Default or Event of Default shall require the consent of more than 50% in aggregate principal amount of the Notes of each Series.

(b) Supplements. Notwithstanding anything to the contrary contained herein, the Company may enter into any Supplement providing for the issuance of one or more Series of Additional Notes consistent with Sections 2.2 and 4.11 hereof without obtaining the consent of any holder of any other Series of Notes.

Section 17.2. Solicitation of Holders of Notes;.

(a) Solicitation. The Company will provide each holder of the Notes (irrespective of the amount of Notes then owned by it) with sufficient information, sufficiently far in advance of the date a decision is required, to enable such holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof or of the Notes. The Company will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to the provisions of this Section 17 to each holder of outstanding Notes promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite holders of Notes.

(b) Payment. The Company will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security, to any holder of Notes as consideration for or as an inducement to the entering into by any holder of Notes of any waiver or amendment of any of the terms and provisions hereof unless such remuneration is concurrently paid, or security is concurrently granted, on the same terms, ratably to each holder of Notes then outstanding even if such holder did not consent to such waiver or amendment.

Section 17.3. Binding Effect, etc;. Any amendment or waiver consented to as provided in this Section 17 applies equally to all holders of Notes and is binding upon them and upon each future holder of any Note and upon the Company without regard to whether such Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Company and the holder of any Note nor any delay in exercising any rights hereunder or under any Note shall operate as a waiver of any rights of any holder of such Note. As used herein, the term "this Agreement" and references thereto shall mean this Agreement as it may from time to time be amended or supplemented.

Section 17.4. Notes Held by Company, etc;. Solely for the purpose of determining whether the holders of the requisite percentage of the aggregate principal amount of Notes then outstanding approved or consented to any amendment, waiver or consent to be given under this Agreement or the Notes, or have directed the taking of any action provided herein or in the Notes to be taken upon the direction of the holders of a specified percentage of the aggregate principal amount of Notes then outstanding, Notes directly or indirectly owned by the Company, any Restricted Subsidiary or any of its Affiliates shall be deemed not to be outstanding.

Section 18. Notices;.

All notices and communications provided for hereunder shall be in writing and sent (a) by telefacsimile if the sender on the same day sends a confirming copy of such notice by a recognized overnight delivery service (charges prepaid), or (b) by registered or certified mail with return receipt requested (postage prepaid), or (c) by a recognized overnight delivery service (with charges prepaid). Any such notice must be sent:

(i) if to you or your nominee, to you or it at the address specified for such communications in Schedule A, or at such other address as you or it shall have specified to the Company in writing,

(ii) if to any other holder of any Note, to such holder at such address as such other holder shall have specified to the Company in writing, or

(iii) if to the Company, to the Company at its address set forth at the beginning hereof to the attention of Chief Financial Officer, or at such other address as the Company shall have specified to the holder of each Note in writing.

Notices under this Section 18 will be deemed given only when actually received.

Section 19. Reproduction of Documents;.

This Agreement and all documents relating thereto, including, without limitation, (a) consents, waivers and modifications that may hereafter be executed, (b) documents received by any holder of Notes at the time such Notes were issued (except the Notes themselves), and (c) financial statements, certificates and other information previously or hereafter furnished to any holder of Notes, may be reproduced by such holder by any photographic, photostatic, microfilm, microcard, miniature photographic or other similar process and such holder may destroy any original document so reproduced. The Company agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by you in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction

shall likewise be admissible in evidence. This Section 19 shall not prohibit the Company or any other holder of Notes from contesting any such reproduction to the same extent that it could contest the original, or from introducing evidence to demonstrate the inaccuracy of any such reproduction.

Section 20. Confidential Information;.

For the purposes of this Section 20, "Confidential Information" means information delivered to you by or on behalf of the Company or any Restricted Subsidiary in connection with the transactions contemplated by or otherwise pursuant to this Agreement that is proprietary in nature and that was clearly marked or labeled or otherwise adequately identified when received by you as being confidential information of the Company or such Restricted Subsidiary, provided that such term does not include information that (a) was publicly known or otherwise known to you prior to the time of such disclosure, (b) subsequently becomes publicly known through no act or omission by you or any Person acting on your behalf, (c) otherwise becomes known to you other than through disclosure by the Company or any Restricted Subsidiary or (d) constitutes financial statements delivered to you under Section 7.1 that are otherwise publicly available. You will maintain the confidentiality of such Confidential Information in accordance with procedures adopted by you in good faith to protect confidential information of third parties delivered to you, provided that you may deliver or disclose Confidential Information to (i) your directors, trustees, officers, employees, agents, attorneys and affiliates (to the extent such disclosure reasonably relates to the administration of the investment represented by your Notes), (ii) your financial advisors and other professional advisors who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 20, (iii) any other holder of any Note, (iv) any Institutional Investor to which you sell or offer to sell such Note or any part thereof or any participation therein (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 20), (v) any Person from which you offer to purchase any security of the Company (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 20), (vi) any federal or state regulatory authority having jurisdiction over you, (vii) the National Association of Insurance Commissioners or any similar organization, or any nationally recognized rating agency that requires access to information about your investment portfolio or (viii) any other Person to which such delivery or disclosure may be necessary or appropriate (w) to effect compliance with any law, rule, regulation or order applicable to you, (x) in response to any subpoena or other legal process, (y) in connection with any litigation to which you are a party or (z) if an Event of Default has occurred and is continuing, to the extent you may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under your Notes and this Agreement. Each holder of a Note, by its acceptance of a Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 20 as though it were a party to this Agreement. On reasonable request by the Company in connection with the delivery to any holder of a Note of information required to be delivered to such holder under this Agreement or requested by such holder (other than a holder that is a party to this Agreement or its nominee), such holder will enter into an agreement with the Company embodying the provisions of this Section 20.

Section 21. Substitution of Purchaser;.

You shall have the right to substitute any one of your Affiliates as the purchaser of the Notes that you have agreed to purchase hereunder, by written notice to the Company, which notice shall be signed by both you and such Affiliate, shall contain such Affiliate's agreement to be bound by this Agreement and shall contain a confirmation by such Affiliate of the accuracy with respect to it of the representations set forth in Section 6. Upon receipt of such notice, wherever the word "you" is used in this Agreement (other than in this Section 21), such word shall be deemed to refer to such Affiliate in lieu of you. In the event that such Affiliate is so substituted as a purchaser hereunder and such Affiliate thereafter transfers to you all of the Notes then held by such Affiliate, upon receipt by the Company of notice of such transfer, wherever the word "you" is used in this Agreement (other than in this Section 21), such word shall no longer be deemed to refer to such Affiliate, but shall refer to

you, and you shall have all the rights of an original holder of the Notes under this Agreement.

Section 22. Miscellaneous;.

Section 22.1. Successors and Assigns;. All covenants and other agreements contained in this Agreement (including all covenants and other agreements contained in any Supplement) by or on behalf of any of the parties hereto bind and inure to the benefit of their respective successors and assigns (including, without limitation, any subsequent holder of a Note) whether so expressed or not.

Section 22.2. Payments Due on Non-Business Days;. Anything in this Agreement or the Notes to the contrary notwithstanding, any payment of principal of or Make-Whole Amount or interest on any Note that is due on a date other than a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day.

Section 22.3. Severability;. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall (to the full extent permitted by law) not invalidate or render unenforceable such provision in any other jurisdiction.

Section 22.4. Construction;. Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such an express contrary provision) be deemed to excuse compliance with any other covenant. Where any provision herein refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

Where the character or amount of any asset or liability or item of income or expense is required to be determined or any consolidation or other accounting computation is required to be made for the purposes of this Agreement, the same shall be done in accordance with GAAP, to the extent applicable, except where such principles are inconsistent with the express requirements of this Agreement.

Section 22.5. Counterparts;. This Agreement may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto.

Section 22.6. Governing Law;. This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of Illinois excluding choice-of-law principles of the law of such State that would require the application of the laws of a jurisdiction other than such State.

2.Each Subsidiary is a corporation duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation and is duly licensed or qualified and is in good standing in each jurisdiction in which the character of the properties owned or leased by it or the nature of the business transacted by it makes such licensing or qualification necessary except in jurisdictions where the failure to be so qualified or licensed would not have a material adverse affect on the business of such Subsidiary, and all of the issued and outstanding shares of capital stock of each such Subsidiary have been duly issued, are fully paid and non-assessable and are owned by the Company, by one or more Subsidiaries, or by the Company and one or more Subsidiaries.

3.Each Note Purchase Agreement has been duly authorized by all necessary corporate action on the part of the Company, has been duly executed and delivered by the Company and constitutes the legal, valid and binding contract of the Company enforceable in accordance with its terms, subject to bankruptcy, insolvency, fraudulent conveyance and similar laws affecting creditors' rights generally, and general principles of equity (regardless of whether the application of such principles is considered in a proceeding in equity or at law).

4.The Notes have been duly authorized by all necessary corporate action on the part of the Company, have been duly executed and delivered by the Company and constitute the legal, valid and binding obligations of the Company enforceable in accordance with their terms, subject to bankruptcy, insolvency, fraudulent conveyance and similar laws affecting creditors' rights generally, and general principles of equity (regardless of whether the application of such principles is considered in a proceeding in equity or at law).

5.No approval, consent or withholding of objection on the part of, or filing, registration or qualification with, any governmental body, Federal or state, is necessary in connection with the execution and delivery of the Note Purchase Agreements or the Notes.

6.The issuance and sale of the Notes and the execution, delivery and performance by the Company of the Note Purchase Agreements do not conflict with or result in any breach of any of the provisions of or constitute a default under or result in the creation or imposition of any Lien upon any of the property of the Company pursuant to the provisions of the Articles of Incorporation or By-laws of the Company or any agreement or other instrument known to such counsel to which the Company is a party or by which the Company may be bound.

7.The issuance, sale and delivery of the Notes under the circumstances contemplated by the Note Purchase Agreements do not, under existing law, require the registration of the Notes under the Securities Act of 1933, as amended, or the qualification of an indenture under the Trust Indenture Act of 1939, as amended.

8.Neither the issuance of the Notes nor the application of the proceeds of the sale of the Notes will violate or result in a violation of Section 7 of the Securities Exchange Act of 1934, as amended, or any regulation issued pursuant thereto, including, without limitation, Regulation G, T or X of the Board of Governors of the Federal Reserve System.

9.There are no actions, suits or proceedings pending or, to the knowledge of such counsel after due inquiry, threatened against or affecting the Company or any Subsidiary in any court or before any governmental authority or arbitration board or tribunal which, if adversely determined, would have a materially adverse effect on the properties, business, prospects, profits or condition, (financial or otherwise) of the Company and its Restricted Subsidiaries or the ability of the Company to perform its obligations under the Note Purchase Agreements and the Notes or on the legality, validity or enforceability of the Company's obligations under the Note Purchase Agreements or the Notes. To the knowledge of such counsel, neither the Company nor any Subsidiary is in default with respect to any court or governmental authority, or arbitration board or tribunal.

The opinion of Robin J. Irwin, Esq. shall cover such other matters relating to the sale of the Notes as each Purchaser may reasonably request. With respect to matters of fact on which such opinion is based, such counsel shall be entitled to rely on appropriate certificates of public officials and other officers of the Company.

2. Each Note Purchase Agreement has been duly authorized by all necessary corporate action on the part of the Company, has been duly executed and delivered by the Company and constitutes the legal, valid and binding contract of the Company enforceable in accordance with its terms, subject to bankruptcy, insolvency, fraudulent conveyance and similar laws affecting creditors' rights generally, and general principles of equity (regardless of whether the application of such principles is considered in a proceeding in equity or at law).

3. The Notes have been duly authorized by all necessary corporate action on the part of the Company, and the Notes being delivered on the date hereof have been duly executed and delivered by the Company and constitute the legal, valid and binding obligations of the Company enforceable in accordance with their terms, subject to bankruptcy, insolvency, fraudulent conveyance and similar laws affecting creditors' rights generally, and general principles of equity (regardless of whether the application of such principles is considered in a proceeding in equity or at law).

4. The issuance, sale and delivery of the Notes under the circumstances contemplated by the Note Purchase Agreements do not, under existing law, require the registration of the Notes under the Securities Act of 1933, as amended, or the qualification of an indenture under the Trust Indenture Act of 1939, as amended.

The opinion of Chapman and Cutler shall also state that the opinion of Robin J. Irwin, Esq., counsel to the Company, is satisfactory in scope and form to Chapman and Cutler and that, in their opinion, the Purchasers are justified in relying thereon.

With respect to matters of fact upon which such opinion is based, Chapman and Cutler may rely on appropriate certificates of public officials and officers of the Company and upon representations of the Company and the Purchasers delivered in connection with the issuance and sale of the Notes.

In rendering the opinion set forth in paragraph 1 above, Chapman and Cutler may rely, as to matters referred to in paragraph 1, solely upon an examination of the Articles of Incorporation certified by, and a certificate of good standing of the Company from, the Secretary of State of the State of Wisconsin, the By-laws of the Company and the general business corporation law of the State of Wisconsin.
